You will be fishing for silver salmon out of a power boat on the lower Kenai and using a drift boat on the upper Kenai for "REDS". Over a million pink salmon will also enter the Kenai in August. You will be fishing for halibut in the Cook Inlet, the richest halibut grounds in the world. Your ling cod/silver salmon combo trip will originate out of Seward. The ling cod fishing has been on fire the last few years! Your fly out will be to the west side of Cook Inlet for silvers and a chance to see and photograph bears in the wild! This will give you a shot at three species of salmon with a chance to fish for halibut in the Cook Inlet and ling cod in the Gulf of Alaska all at a discounted "AUGUST BONANZA" price. "The Gone Fishin' Lodge is the best all around value in Alaska! You have great lodge facilities, conveniently located in Soldotna. The variety of fishing trips and activities you have are wide in range and your guides are great to work with on all of your adventures. The fish packing and freezing service at the lodge is a big plus! Thanks again for a great week, we'll be back!"

"Our most recent trip to "Gone Fishin' Lodge was one of those that cannot be duplicated! The fishing for silvers was spectacular! Ralph was an excellent guide and patiently worked with us on our river fishing. This was my third trip to the "Gone Fishin' Lodge". I have made other trips to the Kenai Peninsula and stayed elsewhere but as far as having a great experience I recommend the "Gone Fishin' Lodge"

The variety of fishing choices you have, provided me a different fishing experience and technique each day and they all resulted in catching fish! I wish I had done this thirty years ago and every year subsequently!"

"My stay at the "Gone Fishin' Lodge" was the adventure of a lifetime! Thank you all so much for your hospitality and for taking time to instruct me on how to fish for the many different species of fish in Alaska. The care of the "catch" was exceptional! Your system of cleaning, vacuum packing, freezing and having the boxes for shipping right at the lodge was highly efficient. I must commend you and the staff for the high quality of cleanliness and the home like comfortable living areas in the lodge".

Joe Icenhower/ Boise, Idaho (208) 345-0292

"Being in the financial advisor business I am constantly looking for the best value for the dollar. I have found it at the "Gone Fishin' Lodge"! Ralph and Dick go through painstaking efforts to make the trip a great experience! The guides they line up are as concerned about catching fish as much as you are".

Wayne Zimmerman Metairie, La. (504) 455-1901

"Our group of five found the experience at "Gone Fishin' Lodge special! It was more than we had hoped it would be. The two fly out trips were the highlights and what was even better was that Ralph and Dick were the guides for the fly outs! The best testimonial that I can give is that I will return!"
